Subject: Notice of File Closure, Tim Carson, Desert Mine, M0230068, Task 1629, Juab County, Utah

Dear Mr. Carson:

The Desert Mine small mining permit, file number M0230068, located in Juab County, Utah, will now be closed and the file retired.

On May 12, 2006, a site inspection was performed and it was determined that the site was never disturbed and can be fully released. No surety has been held for reclamation of this mine. We have not received concurrence from the BLM that they agree with the file closure. You will need to get concurrence from the Fillmore BLM.

You are hereby released by the Division from further mining or reclamation responsibilities at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(ies), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Tom Munson at (801) 538-5321.

Sincerely,

Susan M. White
Mine Program Coordinator
Minerals Regulatory Program
